What are these taxes and regulatory fees Ting is collecting?

Universal Service Fund (Wireless)

The purpose of the fund depends upon the state; however these are typically used for items such as funding schools or subsidizing the cost of telecommunications users in remote locations.

Sales Tax

This is a tax on the privilege of purchasing goods and services.

Fed USF Cellular

Federal Universal Service Fund charge imposed by FCC to fund schools, libraries, rural health care support mechanisms, lifeline, link-up, and the high cost fund.

E911 (Wireless)

Provides funding for the emergency 911 systems.

FCC Regulatory Fee (Wireless)

A fee paid to fund the Federal Communications Commission.
